Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Monday 05 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Snow showers mainly in the north. Very cold.

This Evening and Tonight:
Clear intervals and further snow showers over northern areas and down the west coast, these giving some fresh accumulations to low levels. Mainly dry and clear in the Central Belt and south.

Tuesday:
Another cold day with sunny intervals and occasional wintry showers of hail or snow, heaviest in north. Further accumulations on hills but generally melting on roads by day in sunshine.

Outlook for Wednesday to Friday:
Sunny spells and isolated wintry showers Wednesday, then rain in the west in evening. More rain overnight and Thursday morning then bright and showery. Colder with wintry showers on Friday.
